DUVETYNE/COMMANDO CLOTH

Duvetyne, also known as "Commando Cloth" has many motion picture applications. This heavy, 16 oz. flame retardant opaque masking fabric is an economic alternative to velour for use in theatre, special events and trade shows. We stock 54" (1.37m) in 50 and 100 yard rolls, (45.72m / 91.44m.), and 118" (2.99m) width in 65.5 yard (100m) rolls. Our 54" width is also available in white, gray, red, green, beige, and wine. Made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.

WATER SOLID

Our Water Solid is a durable, opaque, water resistant fabric, perfect for underwater or "wet shots." With its PVC coated matte black finish, this fabric has been specially formulated to help minimize the "bleach out" effect that can occur from chlorinated pools. Available in a 59" (1.49m) width. Made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.
